DECLARATION OF APPLICANT'S ATTORNEY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

I, Glenna Hendricks, the registered patent attorney responsible for filing the original application cited above, provide herewith a copy of the sequences filed in the application along with a listing of the sequence information and a diskette with the same sequence data. I hereby declare that the sequences and other material on the diskette are the same as in the application as filed and that no new matter has been added.

Also attached is an amended Specification. No new material has been added thereto.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements were made with the knowledge that willful false statements and the
